'Unique, imaginative and fun - this course is firmly based on Christian principles and is full of practical wisdom. We think Together is a brilliant resource that will help husbands and wives to love and understand each other even more and look afresh at the dynamics of their marriage.'

in your marriage

an invitation to ...

Is it possible to have a marriage that is truly 'alive and kicking' even amidst the stress and busyness of life? How do we make a good marriage great?

Together is a nine-session group study that tackles just these questions. Marriage, as the Bible makes clear, was God's idea – and you are invited to look at God's plan for marriage and to address 'real life' issues, such as improving communication, resolving conflict and expressing love. It's not a typical 'marriage enrichment' course nor just a Bible study on the topic of marriage. Rather it helps each couple draw closer to each other and to God in practical ways.

No 'group therapy' or embarrassing revelations! Each session covers a separate topic and includes discussion questions appropriate for a group setting. Private issues are kept for couples to discuss at a separate 'Couple Time' between the sessions.

Come along to an Introductory Session which allows couples to give it a try and decide if it's for them or not.

the Introductory Session will be on:

Together is reinforced by scripture, humorous quotes and cartoons, practical wisdom and interactive sections to help couples to look at their marriage in a new way, set shared goals and invest in their relationship – whatever their stage of life.

What others have said...

'Good fun and great to meet with others, as well as investing in your own marriage.'

'The course has been an oasis in our busy world.'

'A lot of friends asked - "what you doing a marriage course for, you got problems then?" to which our reply was "not yet, and hopefully with the groups help it will stay that way!" For us the course has given us time to talk about subjects we had skirted round over 16 years of marriage and ensure they didn't become an issue in the future.'

'... puts God in the centre'

... reminded us how precious our relationship is - would recommend it to everyone!'
